EVENT DESCRIPTION:

McGuire Air Force Base will be hosting its 2008 Air Expo – which is FREE to the public – on May 31 and June 1, 2008 as a thank you to the tri-state region that supports Team McGuire throughout the year.

Headlining this year's event will be the U.S. Air Force Thunderbirds. Additionally, we are pleased to announce that the F-22 and F-15 air demonstration teams are scheduled to perform. A large number of current and former military aircraft will also be on display.

Our "Be Inspired" theme captures Air Force members desire to inspire others and provides a fitting conclusion to this year's Air Force Week – Philadelphia.
